

# LGI PAYROLL

Facilitates hiring, training and payroll management

+ 230 K active employees

70% of Quebec's health network uses this solution to manage payroll

7.3 M pays processed per year

LGI Payroll (Espresso) covers a wide range of human resources and payroll management needs, giving employees and managers greater autonomy.

## SIMPLIFY PAY PROCESSING

With automatic tax updates, audits and detailed reporting, your facility will enjoy streamlined payroll and financial management

## MANAGE POSTINGS IN LINE WITH COLLECTIVE AGREEMENTS

The hiring cycle is managed in accordance with collective agreements, from job posting to candidate letters

## EASILY CONSULT WORK SCHEDULES

The work schedule can be accessed on a web portal where employees can enter their availability and see other key information

## Simplify the employee experience with Espresso HR Mobile Services

Deploying Espresso HR Mobile Services in your organization means your employees don't have to log in to a physical workstation every time they want to view their schedule or pay slips.

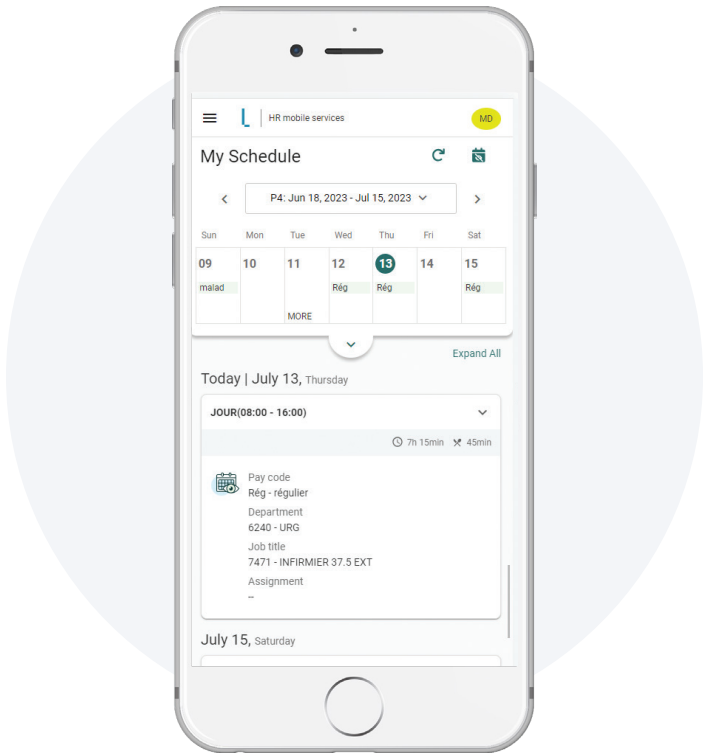

**The app is only available on a trial basis and will be improved over time for an enhanced experience tailored to your needs.**

ACCESSIBLE 24/7

SIMPLIFIED INTERFACE

CUSTOMIZABLE DISPLAY

IMPROVED EMPLOYEE AUTONOMY
